WHEN DEMOCRACY IS CHALLENGED

A WEBINAR SERIES

Join us for a series of webinars focused on challenges to our democracy and the actions we can take to protect our freedom to vote and hold those in power accountable.

For our first "Lunch Out Loud," **Atiba Ellis**, Professor of Law at Case Western Reserve University School of Law, and **Anthony Majestro**, a Charleston attorney with experience in election law, will discuss recent decisions by the US Supreme Court that affect voting rights, and what they mean for ballot access in West Virginia. The conversation will be moderated by former Secretary of State **Natalie Tennant**.
